

# READY-TO-COPY PROMPT TEXT

High-quality 3×3 photo collage featuring nine distinct, dynamic poses of the same model, using the uploaded face as a strict reference for perfect facial consistency across all images.

The entire shoot is set against a bright blue sky with scattered white clouds, lit by intense, high-contrast natural sunlight that produces sharp, well-defined shadows.

The model is wearing a plain black t-shirt, straight dark-blue jeans, and clean white sneakers.

The photography style combines multiple focal lengths: wide-angle 35mm full-frame shots to intimate 85mm portrait close-ups.

**Poses are expressive and varied, including:**

- Standing with feet shoulder-width apart, hands placed behind the head
- Forced-perspective shot with the palm extended directly toward the camera lens
- Playful close-up with the model peering through an "OK" hand gesture placed over one eye
- Cheerful centered shot with the chin resting on both hands
- Moody pose with one hand covering half the face

Ultra-photorealistic image quality, rendered at 8K resolution, with highly detailed skin texture, realistic subsurface light scattering, accurate fabric folds, and individually rendered hair strands.

Overall visual aesthetic: polished, high-end commercial fashion lookbook or premium lifestyle advertising campaign.
